Arjun, as the elder brother, took it upon himself to look after Karan. He dropped out of college and started working to support them. Karan, on the other hand, was still in school. He was a bright student, and he excelled in his studies.

Years passed, and the brothers grew up. Arjun became a successful businessman, and Karan became a doctor. They were both happy and content with their lives.

One day, Arjun met a woman named Maya. She was beautiful and intelligent, and Arjun was immediately smitten with her. They started dating, and soon they were in love.

Arjun wanted to marry Maya, but he was hesitant. He knew that his brother Karan was still single, and he didn't want to hurt him.

But Karan was happy for his brother. He told Arjun that he didn't mind if he married Maya. He just wanted his brother to be happy.

So, Arjun and Maya got married. They had a beautiful wedding, and they were very happy together.

But then, tragedy struck again. Maya was diagnosed with a terminal illness. She only had a few months to live.

Arjun was devastated. He couldn't imagine life without Maya. He spent every waking moment with her, cherishing the time they had left.

Maya died a few months later, and Arjun was heartbroken. He didn't know how he was going to go on without her.

But then, he remembered his brother Karan. Karan had always been there for him, and he knew that he would be there for him now.

Karan took care of his brother. He helped him through his grief, and he was always there for him.

One day, Karan told Arjun that he had found someone. Her name was Anjali, and she was a kind and compassionate woman.

Arjun was hesitant at first. He didn't think he could ever love again.

But then, he met Anjali. She was everything that Maya had been, and more.

Arjun and Anjali started dating, and soon they were in love.

Arjun and Anjali got married a few years later. They had a beautiful wedding, and they were very happy together.

Arjun had found love again, and he was grateful to his brother Karan for being there for him.

The bond between brothers is unbreakable. It is a bond that can withstand any storm.
