DOWNLOAD E-BOOK

The Armageddon Expeditionary Force (AEF) series by Craig Alanson is a military science fiction space opera that follows the exploits of Colonel Joe Bishop and his crew as they fight to defend humanity against an overwhelming alien invasion.

The series is set in the near future, when humanity has colonized several planets and moons in the solar system. However, in the year 2385, a vast

alien armada arrives in the solar system and launches a devastating attack on Earth and its colonies.

Colonel Joe Bishop is a veteran of the United States Marine Corps who is assigned to command the AEF, a multinational force of soldiers, Marines, and airmen who are tasked with defending humanity against the alien invaders.

The AEF is outmatched and outgunned by the aliens, but they are determined to fight to the end. They fight a series of desperate battles against the aliens, and they slowly begin to learn how to defeat them.

The AEF series is a fast-paced, action-packed military science fiction space opera that is full of humor and heart. The characters are well-developed and relatable, and the story is engaging and exciting.

I highly recommend the AEF series to fans of military science fiction, space opera, and action-adventure.

Characters

The AEF series features a cast of well-developed and relatable characters.

- **Colonel Joe Bishop** is the commander of the AEF. He is a veteran of the United States Marine Corps and a skilled tactician. He is also a compassionate leader who cares deeply about his men.
- **Lieutenant Colonel Sarah "Sarge" MacKenzie** is the executive officer of the AEF. She is a brilliant strategist who is always willing to take risks. She is also a tough and determined leader who is respected by her men.

- **Major Rick "Doc" Griffin** is the chief medical officer of the AEF. He is a skilled surgeon who is always willing to put himself in harm's way to save his patients. He is also a kind and compassionate man who is always there for his friends.
- **Captain Jack "Gunner" Reynolds** is the chief engineer of the AEF. He is a brilliant engineer who is always able to find a way to fix anything. He is also a loyal and dependable friend who is always there for his crew.
- **Corporal Samuel "Sarge" Jenkins** is a veteran of the United States Army who is assigned to the AEF. He is a skilled infantryman who is always willing to fight for what he believes in. He is also a loyal and dedicated friend who is always there for his comrades.

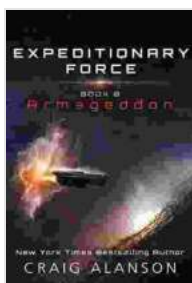

Themes

The AEF series explores a number of themes, including:

- **The importance of teamwork and camaraderie.** The AEF is a multinational force of soldiers, Marines, and airmen who must learn to work together to defeat the alien invaders. The series shows that anything is possible when people work together and support each other.
- **The importance of hope and determination.** The AEF is outmatched and outgunned by the aliens, but they never give up hope. The series shows that anything is possible if you never give up on your dreams.
- **The importance of sacrifice.** The AEF is willing to sacrifice everything to defend humanity against the alien invaders. The series shows that sometimes you have to make sacrifices in order to achieve your goals.

The Armageddon Expeditionary Force series is a fast-paced, action-packed military science fiction space opera that is full of humor and heart. The characters are well-developed and relatable, and the story is engaging and exciting.

I highly recommend the AEF series to fans of military science fiction, space opera, and action-adventure.
