1. **Gather your materials:** You will need a piece of Aida cloth, embroidery floss in various shades, a cross stitch needle, and a pair of scissors.
2. **Prepare your Aida cloth:** Cut a piece of Aida cloth to the desired size of your finished cross stitch. Fold the edges inward and press them down to prevent fraying.

4. **Continue cross stitching:** Follow the pattern chart to create the desired design. Each symbol on the chart corresponds to a color of floss and a specific stitch placement.
