- DMC floss in the colors listed in the pattern
- Cross stitch needle (size 24 or 26)
- Embroidery hoop (4-inch or 5-inch diameter)
- Scissors
- Optional: Magnifying glass (for detailed work)

Step-by-Step Guide: Stitching Your Purr-fect Companion

1. Prepare Your Fabric

Begin by stretching your Aida fabric tautly over the embroidery hoop. Make sure the fabric is centered and secure.

2. Separate Your Floss

Separate your DMC floss into individual strands according to the number indicated in the pattern chart.

3. Start Stitching

Refer to the pattern chart to determine the starting point of your cross stitch. Use the cross stitch technique to create each stitch, carefully following the color and placement instructions.

4. Continue Stitching

Work your way through the pattern, row by row, filling in the design with your chosen colors. Take your time and enjoy the meditative process.

5. Finishing Touches

Once you've completed the cross stitch, remove it from the embroidery hoop and trim any excess fabric. You can optionally frame your finished piece or use it to embellish a cushion, tote bag, or other craft project.
